Data Protection and Privacy Laws require the club to have your permission to hold your name and address on the club Database. Please read the following declaration and sign below if you agree to the conditions. I give permission to Boston Classic Car Club to record my details as above on the club database for the sole purpose of sending me club newsletters and other related information. I will notify Boston Classic Car Club in writing if I no longer wish my details to be kept on the database. Or if my details change, I should inform the club immediately. Details will automatically be removed if membership is not renewed.
